Letter from the Eminent Archon

Greetings to Brothers of Iowa Delta,

It brings me great joy to be writing this for you all as I begin my term as Eminent Archon of Iowa Delta for the year 2023. As I am reaching the halfway point of my junior year, I have already been thinking about how fast my experience at Drake and in SAE has been going by. SAE Iowa Delta has already made me such a better and more well-versed person in the two and a half years I have been here, and I am looking forward to seeing what my remaining 3 semesters have in store for myself, and our chapter!

In the past year, we have continued to see growth among our members and in our chapter. During the spring of 2022, we got to be outside and enjoy our front porch, while also getting to experience the first actual relays since COVID-19 had rocked our society. Along with getting back to normal, we had started to host social events again, and they had seen success like never before. We even received the Outstanding Risk Management award from Drake University at the Fraternity and Sorority Life banquet. We are proud to host events and create a safe space on campus for people to go have fun and be social with others. Upon graduation in May, we lost a wonderful senior class and will miss them dearly. But this does not stop time from moving on and doesn't change the fact that come fall, we will go through the recruitment process again looking to get some quality new members.

Returning to campus in August of 2022, Iowa Delta remained in high spirits and was ready to get rolling into the fall immediately! We had a successful recruitment period gaining 12 fantastic new members into our brotherhood and have continued to move forward with high spirits and good people. I am proud to say that later in this fall semester I was elected as our newest Eminent Archon along with our new executive council. I am also very happy to say that for the third year in a row, an SAE has been elected as the Inter-Fraternity Council President (IFC). Following Ashwin Sinha, and Jon Sterk: Cody Butenhoff has been elected the newest President of IFC along with Zach Noonan as Vice President of Education, and Rodrigo Gonzalez as the Vice President of Programming. We as a chapter are extremely proud of our brothers taking upon these leadership positions not only in the house but also on campus at IFC. We had also sent 4 of our brothers to the DeVotie Ritual Academy at Levere Memorial temple during this fall's academy to update the chapter on any ritual practices we may need to improve on or change the way we do things. The brothers we sent to Ritual Academy had a great experience there and we look forward to future academies to which we can send some of our guys. Along with our IFC, we have had William Rodriguez serving as a national ambassador for the past semester, and he has also been a peer mentor for any incoming first

years during the welcome week for the past semester. We have been striving to get our on-campus involvement up and it has shown in how many people have been elected to positions on campus and how many different organizations Iowa Delta has been a part of.

Our philanthropy has been successful during the past semester as we have raised \$1100 to donate to the Boys and Girls Club of Des Moines. We hosted an SAE Master chef where two brothers grilled burgers to see who could make the best burger and we also raised money for one of our brothers to shave his head only a couple of weeks ago!

Overall, the brothers of Iowa Delta are continuing in high spirits as we approach the holiday season and colder weather. As we finish up any final examinations and the semester, we are grateful for the time we are given and the time we can spend with each other. This brotherhood has remained strong and will continue to thrive as we go into 2023. We have invested ourselves in the future of Iowa Delta and continue to work so that 20 years from now, the newest Iowa Delta can have just as good of an experience as we have had, just like you all have done before us.

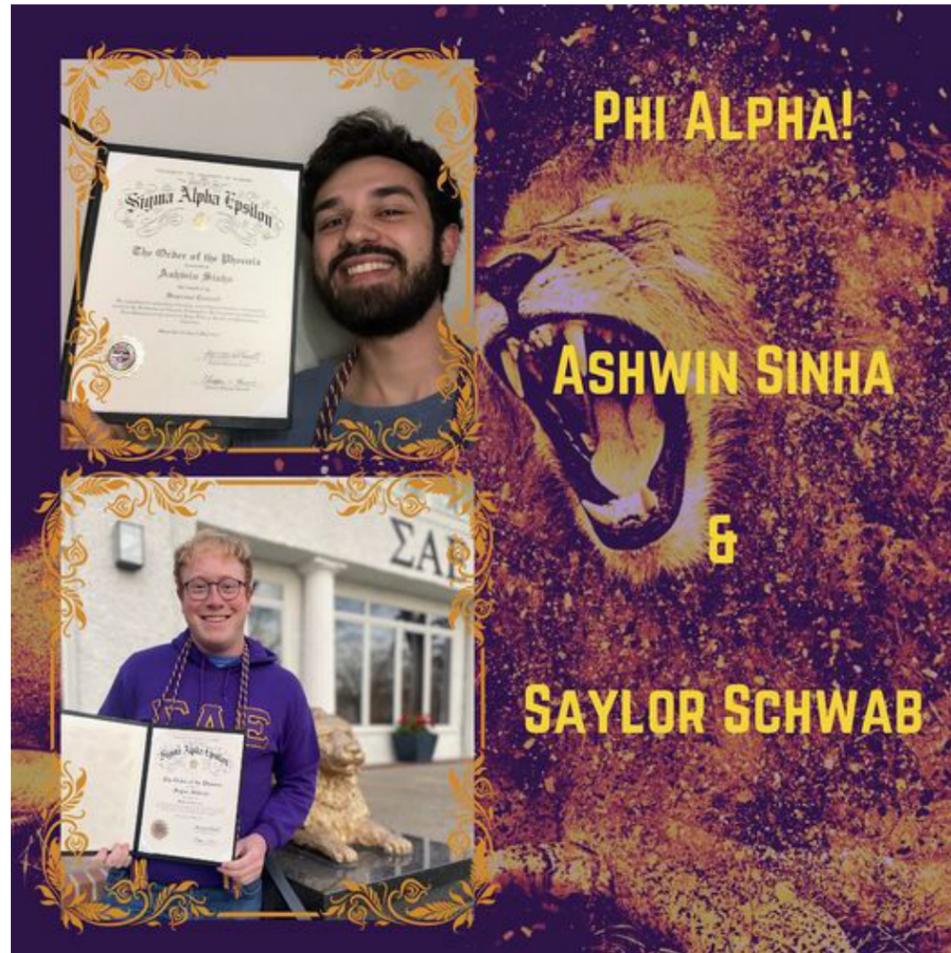

Phi Alpha,
Emmett Schwab

ORDER OF THE PHOENIX INDUCTEES

Congratulations to Ashwin Sinha '22 (@ashwin_sinha) and Saylor Schwab '22 (@saylor_schwab) for their recent induction into Sigma Alpha Epsilon's Order of the Phoenix!

Requirements: The recipient must have demonstrated outstanding service to the Fraternity on any level for an extended period of time.

Description: The Order of the Phoenix is one of the highest levels of recognition that an undergraduate member can receive. It can only be awarded to a member while he is still an undergraduate member. The purpose of this award is to recognize outstanding commitment and loyalty to the Fraternity by a collegiate brother.

BROTHERS CELEBRATE IOWA DELTA'S 100TH ANNIVERSARY AT DRAKE UNIVERSITY

On April 29, 2022, 135 brothers and guests gathered at Des Moines' Wakonda Club to celebrate a very significant milestone – the 100th Anniversary of Iowa Delta. It was an evening to reconnect, reminisce, and acknowledge the lifelong bonds of friendship formed over the last 100 years.

As Chair of this event and emcee for the evening, it was our hope that attendees would leave more informed, highly inspired, and certainly entertained. Based on feedback, our objectives were clearly accomplished.

After a social hour and delicious buffet dinner, the evening's program kicked off with a specially developed video (see video link at end of this article) highlighting many of the changes and activities taking place on college campuses and within our fraternity. This look-back in time recognized that change has always been constant, but what has never changed has been the enduring friendships with our brothers.

The video, entitled "100 Years of True Gentlemen," showed a variety of photos from the last 100 years of Iowa Delta. Included were photos of the four different houses we occupied, demolition of the beloved Barn, and the addition of the Crist House and Bennett Bridge. We also highlighted the many accomplishments of Iowa Delta brothers over the years, including achievements in academics, leadership, social activities, Drake Athletics, and intramural sports.

We then heard from a group of brothers who shared updates on a number of house related activities, beginning with Eric Weiderin (2023), Iowa Delta's then Eminent Archon. Eric reviewed current house initiatives, including

scholarly, recruitment, and leadership accomplishments.

Greg Brandt ('81), then shared his leadership experience on Sigma Alpha Epsilon's Supreme Council over the last 10 years, including serving as the Eminent Supreme Archon for the last 2 years. Greg provided great insight into how our fraternity operates on a national basis.

A very emotional part of the program was hearing personal reflections from the following 5 attendees, who shared some of their favorite memories of being an Iowa Delta brother. They also uniquely touched on the importance of lifelong friendships they've made and retained over the years.

- Ken Kauffman ('60)
- Bob Luxen ('73)
- Kent Foster ('83)
- Justin Johnson ('86)
- Brian Grefe (2003)

Tom Logan ('73), Iowa Delta's long-time House Manager, updated attendees on the very successful 2020-21 House improvement Fundraising Campaign, which raised over \$110,000. Photos of completed projects were displayed on the screen and included exterior and interior painting, new windows, a new concrete patio area adjacent to the front porch, new furniture (including the restoration of some historical wooden pieces), updated electrical work and restoration of several antique lighting fixtures, and new area rugs. Tom emphasized that these much-needed improvements will not only provide a more comfortable living environment, but will positively impact our recruiting efforts. Tom concluded by thanking every brother who so generously supported our fundraising campaign.

Greg Brandt ('81) then came back to the stage and presented the following National Alumni Awards to the following brothers:

BROTHERS CELEBRATE IOWA DELTA'S 100TH ANNIVERSARY AT DRAKE UNIVERSITY

continued from page 3

Travis Sutton ('85) then presented certificates to 50-Year Initiates from the pledge classes of 1970; 1971; 1972.

As part of our evening, we also enjoyed virtual congratulatory messages from Drake President Marty Martin and retired Drake icon, Don Adams. Both Marty and Don expressed their sincere thanks for the many accomplishments of Iowa Delta and the significant impact of our fraternity on Drake University.

The evening concluded with Greg Brandt ('81) leading brothers in singing Friends, followed by a very spirited group cheer.

Iowa Delta's 100th Anniversary Celebration was definitely an evening to remember. For those brothers who attended, many thanks for your participation and support. For those brothers unable to attend, please enjoy the 100th Anniversary video, as per the following link:

Mike Peterson ('75)

Leroy reminisced about many fellow Brothers including Bob Tucker, Bob Englund, Bob Goerne, Bob Turek, and Jim McCauley. He has many fond memories of building floats with fellow Brothers, especially Bob Tucker for three Drake Relay's Parades with three different Sororities. (Lots of work and fun.) Also, he has fond memories of the Hawaiian Party, the Hat & Wine Party, Union Hall Parties, & the off-campus house, AMF. Most recently, he enjoyed the 100 Year Iowa Delta SAE Anniversary. It was a great time to see so many Brothers after 50 years.

Most recently, LeRoy has volunteered to be the very busy Construction & Maintenance Man for Iowa Delta. We owe LeRoy a BIG THANK YOU for offering to help our Alumni Board, House Corporation, and the Active Chapter in the repairing, cleaning, and maintaining of our Iowa Delta Campus. LeRoy, also, praised the many other Brothers who have been helping him and working on our Alumni Board and House Corp.

LeRoy can be reached at 602-799-2523 or email at LeroyHarvey1950@gmail.com.

You May remember LeRoy Harvey, who worked at the Art Store while attending Drake University. He pledged Iowa Delta to connect & develop friendships. Leroy did connect, and developed many friendships that have lasted a lifetime.

Leroy continued to work at the Art Store for eight years after graduating. The business grew & he ended up managing three stores. In 1978, he moved to Phoenix, AZ. and ended up in the custom wood working industry as a Business Operations Manager. Later, he worked for Custom Architecture Millwork developing fire poles & staircases out of metal.

At 46, he met his wife, Susan, at his 25th high school reunion. She had a son & daughter, and they, also, have two grandchildren. Several years ago, after retirement, Susan and LeRoy moved back to Waukee, Iowa, where LeRoy has a brother and sister and many nieces and nephews.

WHAT ARE THE GENERATION Z'ERS UP TO?

Austin Sosbee (2020) I am currently working as a Sr. ETL Developer at Watercress Financial Group. The company focuses on servicing loans to people who want to do Home Renovation or add green energy to their home. I am currently living in Altoona, Iowa, living with my parents as they prepare for their retirement and next chapter of their lives. Some things that are important to me are: Camping with Friends and Family, Boating, my Dogs, and the occasional vacation to get out and see the world.

Ashwin Sinha (2022) After Drake, I will be working for Ernst & Young, or EY, starting July 20th in downtown Des Moines. I will be working in the consulting division on the Technology Risk team. I will be residing in Clive for the time being, but currently looking at apartments downtown for later this year. The Greek community had such a big impact on me during my time at Drake, so I will try to stay in touch as much as possible, but until school starts up again, I will be joining some outdoor club soccer teams, helping at my parent's business, Kumon Math & Reading Center, and enjoying the summer buzz of downtown Des Moines. Thankfully, I have some time to go on a couple of vacations to Europe, Chicago, and Minneapolis, but I am very eager to start work in late July and I'm looking forward to the challenge

Saylor Schwab (2022) After graduating this past May, I am thrilled to share that I have accepted a full-time position with the fraternity headquarters in Evanston as the Assistant Director of Communications! I am designing print and digital materials for use across the realm, overseeing updates for the fraternity website, and collaborating in the design and production of The Record. I am working remotely, and will be moving to Pella, IA with my girlfriend Leigh in the coming months. I look forward to exploring Pella and staying connected with my friends and family in Des Moines!

Alex Mandel (2020) Since graduation from Drake in May 2020, I've been working full time as an actuarial student at Transamerica. As part of my job, I've been taking actuarial exams, which eats up a lot of time outside of work with studying. However, besides that, I've been keeping busy with playing in cornhole leagues, being a regular at local trivia nights, adopting some kittens, buying a house in Palo, IA, getting married to my wonderful wife, Winne, and enjoying quality time with friends and family.

Colin Piscitello (2018) I, currently, am an Associate of the Casualty Society at Nationwide Insurance in Des Moines. I am going through the rigorous process of achieving my Fellowship, and am one exam away from doing so. I have

worked for Nationwide since graduating, and am currently serving as the intern recruitment co-chair, where I help bring the next wave of professionals to Nationwide. I am currently planning my wedding with fiancé Skylar in November of 2022. We currently live with our dog Smokey in Urbandale.

Colin Muehleisen (2018) I, recently, celebrated 5 years at Blank Park Zoo in Des Moines. I started as an Intern during my time at Drake and have worked my way up to my current position of Director of Development, where I oversee membership and fundraising efforts including sales, communications, appeals, and grant writing. I, also, serve on the Board of the Central Iowa Chapter of Grant Professionals Association as the Treasurer, as well as on the Board of Directors of the Union Park Heritage Carousel, a local non-profit in Des Moines. My wife Whitney (who served as President of Alpha Delta Pi during her time at Drake) and I were married in 2020, and we currently live in the Union Park area of Des Moines. I am trying to make a difference in my Community and the Blank Park Zoo by utilizing leadership traits and skills that I learned from Drake and SAE. PHI ALPHA!

Manny Jacobson (2017) I am working for Advocate Aurora Health Care as a Public Safety Specialist. I, currently, oversee the safety and security of about 140 clinics in the Greater Milwaukee and Southern Wisconsin area. I just recently moved to Pleasant Prairie, Wisconsin. In my free time, if I get any, I like to go golfing.

Noah Bamonte-Grebis (2020) I currently live in Laramie, Wyoming and completed my MBA at Davenport University in Michigan in spring 2022. I am now working as a Financial Analyst for a company that finances solar panel projects. Since graduating, I have remained active in SAE, most recently helping to refound the Alumni Association for Wyoming Alpha at the University of Wyoming. Prior to this, I served as an Interim Alumni Treasurer and helped recharter South Carolina Nu at Clemson University. In the falls of 2021 and 2022, I have traveled back to Des Moines to coach the active members of Iowa Delta in recruitment strategy and chapter planning. I spend my free time hiking, skiing, reading, and convincing brothers that Wyoming is a wonderful place to visit.

Jon Lueth (2017) After living and working in the Quad Cities for several years, I bought a house and have moved to Topeka, Kansas where I serve as the Deputy State Director for Americans For Prosperity-Kansas. In that role I do a mixture of things ranging from lobbying and testifying on policy in the Kansas Legislature, speaking to community

groups across the State, media interviews, and managing our social media pages. Thanks to my job, I have had the opportunity to travel the country ranging from Washington DC to Austin, Texas. I fulfilled a childhood goal, or maybe I was just brainwashed at Drake, and bought a bulldog named Maximus. Also, I wanted to stay connected with Iowa Delta so I immediately joined the Alumni Board and took on the role of Database Manager. Through that role I serve as a catalyst between Alumni brothers and the goings on of our chapter and Alumni Association by maintaining an online database of Alumni brothers and their email addresses. Outside of work, my passions are football, movies, books, and videogames. While I may not make it back to visit as much as I'd like, it's clear that my life wouldn't be what it is without Drake and Iowa Delta and I look forward to what comes next!

PLEASE JOIN THE 1921 CLUB FOR 2023

The Iowa Delta Alumni Association and House Corporation would like to THANK the following Brothers for having joined and becoming members of the 2022 1921 Club.

The 1921 Club enabled us, during these inflationary times, to stay on top of Fraternity House improvements and repairs and pay for them as we go. During these last two unpredictable and difficult COVID years, projects included major plumbing repair, two air conditioning compressors replaced, carpet replaced, new furniture purchased, woodwork repaired, electrical rewiring completed, painting completed, gutters cleaned, doors repaired, and windows replaced. Thank You LeRoy Harvey and Tom Logan for coordinating and tackling many of these jobs. Also, utilities, taxes, and insurance premiums have continued to skyrocket and continue to negatively affect our Budget. The Alumni Association and House Corporation wants to continue to provide a high quality, safe HOME-AWAY FROM-HOME experience for our under-grad Brothers. Your annual support is greatly appreciated. You can join the 1921 Club for 2023 by filling out the form below and mailing a check to: **Iowa Delta Alumni Association c/o Greg Brandt 5707 Kingman Ave. Des Moines, Iowa 50311.**
